Judging panels will be looking for evidence of how your training has contributed to your career and study plans, the development of your skills and your achievements to date, as well as any way in which your training may have helped you to achieve other skills or pursuits.

In developing your application, please consider the suggestions below each criterion. These suggestions are examples of relevant experiences that can be considered evidence of achievements, skills and personal qualities

Criterion 1: Career and study achievements

- What do you like about working in a team setting?
- What traits do you think are important to positively influence others?

Criterion 3: Ability to be an Ambassador (representative) for training in Australia

Talk about anything that you are doing or can do where you have been able to talk about VET, your course or your experience of training

- Provide examples where you have taken a leadership role inside or outside of training/work
- What other activities have you been involved in where you have been a representative?
- How would you describe the quality of your training?
