**‘Full Qualifications’, ‘Qualifications’ or ‘QUAL/MUSS’** refers to National training package qualifications, training package skill sets, nationally recognised accredited courses, locally developed skill sets (TASMSS), or training organisation courses. **These training products are reported with a [Program identifier](#) in the NAT00130 Program completed file and the NAT00120 Training Activity file.**

**‘Skill sets’ or ‘SUSS’ (Single Unit Skill Sets)** refers to a specific unit of competency in a national training package or a nationally accredited unit or a training organisation module. These are delivered as standalone subjects funded under their own PCID. Includes, locally developed skill sets (containing multiple units), now replaced by TASMSS, that were historically funded under the same PCID. **These training products are reported as [Subject only enrolments](#) in the NAT00120 Training Activity File and are not delivered as part of a program.**
